*Updated by Helen Newman,*  
*Business Manager,*  
*September 2017*

## **Background**

1. In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.
2. Funding will be allocated to all maintained and state-funded schools with primary phase pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013. A typical primary school will receive £16,000 plus £10 per pupil in 2017/2018.
3. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

## **How are we spending the money?**

Buy into the Torbay Primary Sport Partnership  
CPD opportunities for staff  
Employ a Sports Apprentice for 1 year  
Replace and maintain sports equipment  
Lunchtime Sports provision

## **What outcomes are we working towards?**

- Outstanding PE provision across the school (curriculum, assessment, use of Sports apprentice)
- All children to have access to competitive competition
  - Wider participation in school sporting clubs

More detail and associated costs are available in the live document 'How we are spending our Sports Premium' available on the school's website.
